Flower fabric: cut 40 at 2 ½" x 2 ½"

Flower center: cut 40 at 1" x 1"

Draw a diagonal on all 1 ½" squares and 1" squares

Position a background 1 ½" square on one corner of a flower square, AND a center square on the opposite corner. Stitch ON the diagonals. Trim each seam to ¼", flip, and press.

Repeat 4 times for one posie. Hint: press half of the centers towards the flower fabric, and half to the center for ease in 'nesting' your seams.
