

Preparation for Block #13 Workshop

August 19th – 5 pm – before the August Guild Meeting

Your fabric MUST be prepared, cut and sewn as follows before you arrive!!!

Bring your sewing machine and basic supplies (thread, bobbin, pins, etc.) for putting the block together. Need 2 colors plus background fabric

From background, cut 8 pieces at 4" x 4 ¾" – these will be for the HST

From color 1 and color 2, cut 8 each at 2 ½" x 8 ¾". If you are using jelly roll strips, you will need (2) each of each color.

Sew a color 1 strip to a color 2 strip lengthwise and iron the seams open. Repeat so that you have a total of 8 pieces, each 4 ½" x 8 ¾". These will be the 'stars' of your block.

These MUST be prepared before you arrive for the workshop!!!!

We will have die #5 and die #7 from the 12" CUBE of the Go-Cutter at the workshop
